

Qui suis-je?

Level 1- Play using the website "Akinator"

This website is great for introducing the student to the game "Qui suis-je." The Akinator will model the type of questions the students will eventually ask each other.

Level 2- 20 questions

Students play as a class or in small groups. One student chooses a celebrity or famous person of their choice. The rest of the class/group will ask questions to figure out together who the celebrity is.

Level 3- Headbands

Students play in small groups. Each person chooses a card with a celebrity, but does not look at it. Each student will ask questions to the rest of the group to figure out who their mystery celebrity is.

Sample cards included on our website. These cards can be printed on standard business card
